

Double-touch  
actuators, spring  
return white  
indicator - One  
extended and  
one flush  
pushbuttons  
LPSBL72

### General characteristics

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Colour                   | Black/Red                                                                            |
| Type of positions        | Double-touch<br>with one<br>extended and<br>one flush<br>pushbuttons                 |
| Material                 | Aluminium and<br>zinc alloy for<br>metal parts and<br>polyamide for<br>plastic parts |
| IEC degree of protection | IP66, IP67 and<br>IP69K                                                              |

### Mechanical features

|                  |                             |         |
|------------------|-----------------------------|---------|
| Mechanical life  | cycles                      | 1000000 |
| Fixing           | Without mounting<br>adapter |         |
| Mounting adapter | LPXAU120M                   |         |

### UL technical data

|                         |                                 |
|-------------------------|---------------------------------|
| UL degree of protection | Type1, 2, 3R, 4,<br>4X, 12, 12K |
|-------------------------|---------------------------------|

### Ambient conditions

|                       |  |     |    |     |
|-----------------------|--|-----|----|-----|
| Temperature           |  |     |    |     |
| Operating temperature |  | min | °C | -25 |
|                       |  | max | °C | +70 |
| Storage temperature   |  | min | °C | -40 |
|                       |  | max | °C | +85 |
