

Monomatt MM

Product information

Single-layer polycarbonate with the excellent properties of our label plates. This is a white solid-coloured material that also meets the specifications of the standard material for the terminal strip markers. The high-gloss surface is protected by a yellowish protective foil when shipped.

Monomatt (MM) is available with self-adhesive foil (SK) or with adhesive foil (HF).

Monomatt (MM) with the mat size 300x200 mm is designed for labelling with the Murrplastik p³b and pictor² inkjet systems, but can also be used with the plotter.

Color: White

Material thickness mm: 1
